VOLUME XI. ALBANY, ALAMEDA COUNTY, CALIFORNIA, Friday, January 4, 1946 Number 14

HOUSER, HOLLAND INSTALLED

By WALTER L. HOLLAND
On Friday evening, Jan. 4, 1946, in the Albany Memorial building, Albany Post No. 292, The American Legion will have as their guests the Albany Controlled Flyers Club. Arrangements have been made by Reese White, H. R. Anderson and Thurman Richardson, the Flyers Club committee, to have members of their club display flying models of aeroplanes in the lobby of the building. The planes displayed will be those built and flown by members of the Flyers Club and some of the planes to be exhibited have been winners in the state and district competitions conducted by the Controlled Flyers of America.

Mr. Richardson will address the Post meeting on the objects and aims of the Albany club, especially the work they wish to accomplish in getting young men interested in the fascinating pastime of building and flying model aeroplanes and the desire of the club to have veterans of World War No. 2 become senior members of the club, particularly veterans who have service in the air forces of the army, navy and marines. This will be the first display

Naval Officers' Wives' Club to Hold Meeting

The Naval Officers' Wives' Club of the East Bay Area will hold its monthly luncheon on Thursday, January 10, at 12:30 at Hotel Claremont. All wives of officers both reserve and regular of the Navy, Marine Corps and Coast Guard are cordially invited to attend.

Guest speaker will be Miss Dorothy Collins, who will review a varied group of current books. Reservations must be made by noon, Wednesday, January 9, with Mrs. J. W. Uren, Humboldt 8029.

In the regular business session of the Post Eugene Houser, veteran of the Eighth Air Force, will be installed as second vice commander and Leroy W. Holland of the 33rd Division will be installed as sergeant at arms. Houser served in England and Holland served in the South Pacific. Houser was at one time captain of the Albany squadron of the "Sons of the American Legion."

Richmond Club Honors Local Exchangites

Dan L. Polk of Albany, to be installed president of Richmond Exchange Club, Saturday evening, January 5, at the Richmond Country Club.

Polk is a charter member of the Richmond Exchange Club which was sponsored by the Albany Exchange Club and has served as a member of the Board of Control and vice-president of the Richmond Club.

Honored guests at the colorful installation on Saturday night will be the Chief of Police, Stanley Williams, new president of the Albany Exchange Club and Edwin S. Howell, Superintendent of Recreation, retiring president of the Albany Exchange Club, and their wives.

Polk, resident of Albany for the past five years, resides at 906 Ventura Avenue with his wife and three children. He has been assistant office manager at the Permanente Metal Corporation, Shipyard No. 2, in Richmond for the past three years, and is a member of the Richmond Elks Lodge No. 1251 and the Marin Dads Club of Albany.

If present plans are carried out, the present Albany YMCA building, shown above, will be enlarged to three times its present size. Fifteenth anniversary of the present structure will be observed with an open house in the spring.

PRESIDENT GRANHOLT REVIEWS 1945 Y.M.C.A. ACTIVITIES

The year 1945 was a progressive one for the Albany Y.M.C.A., according to Fred Granholt, president. In looking forward to 1946 there appears on the horizon greater possibilities for additional clubs for boys and girls. An increase in adult activities and the organization of activities for the returning servicemen, as well as the carrying on of swimming classes for boys and girls. During the year 1945, 574 boys, girls and women were affiliated with the Y.M.C.A. Club program. An additional 346 boys and girls, men and women were enrolled in the Y.M.C.A. building activities. These two figures, totaling 920, is one of the reasons why the Albany Y.M.C.A. building needs to be enlarged.

In the swimming program for the year 76 boys and girls passed the twenty-one beginners' skills of the Y.M.C.A. progressive swimming tests and 41 the thirty intermediate tests, 11 Junior life-saving tests and 18 Senior life-saving tests.

The servicemen's attendance in

Mrs. Magazin Presides at High P.T.A. Meeting

With graduation imminent, high school parents will be advised of further educational opportunities for graduates by a panel of local educators when Albany High School P.T.A. meets on Thursday, January 10, at 2:00 p. m., in room 106. Mrs. Al Magazin, president, will preside.

With Mrs. Violet Richardson Ward, president of the Berkeley-Albany Council of "Parents and Teachers, as moderator, the group will include Dr. Thomas L. Nelson, superintendent of Berkeley Schools, who will discuss junior college advantages; Paul C. Bryan, superintendent of Albany Schools, who will deal with universities; William G. Woolworth, director of Albany Adult Education, who will speak on continuation and evening high schools, and Miss Margaret Stine, Albany High School graduate, now attending San Francisco State College, who will present the students' point of view.

Mrs. John L. Hastings, music chairman, with the assistance of Stephen Lehner, has arranged a musical interlude featuring student talent, and refreshments will be served following the program.

Organizations Asked to Name Representatives

All civic organizations in the Albany-Berkeley Community Chest area are being invited to name voting representatives to the Chest's General Council, it was announced today by G. Clifford Pettygrove, President. The Council is the policy making body of the Chest.

"Through widespread community representation the Chest functions in a truly democratic manner," Pettygrove stated. "Service clubs, churches, P.T.A.'s, commercial and industrial groups, labor councils, charitable and fraternal organizations and civic bodies all join in this united plan for sound social welfare."

The General Council will receive reports of the activities of the Chest for 1945, elect directors and transact other Chest business on the occasion of the annual dinner meeting Tuesday evening, January 22, in the social hall of the First Congregational Church of Berkeley, it is reported.

CHILDREN'S PARTY HUGE SUCCESS

The annual children's Christmas party, sponsored by Bayview Aerie 2323 Fraternal Order of Eagles of Albany, was a decided success in view of the many local children who gathered at Cornell School auditorium Sunday afternoon, December 23, to make one of the largest attended parties ever held in one of these annual events for the children.

Chairman Sam Locke and his hard working committee are to be congratulated for the splendid way in which this year's edition of these popular Yuletide programs for the children of this city was planned and carried out.

The following public spirited down-town merchants donated a total of \$303.08 for the purchase of toys for the children, which were given out by Santa Claus at the conclusion of the program:

Wayne Leach, C. L. MacGregor, L. D. MacGregor, Gartner Thomas, Joe Villa, Max Etingoff, Harold Olson, "The Roberta," George Hollfelder, Don Erwin, Vestal Baird, Bill Garren, George Hein, Bert Hill, George Glavinovich, Mary's and Joe's Clothiers, Duke M. Salle, Charles P. Hunter, Main Event Inn, Chateau Tanya and Jack Finney's Albany Inn.

After a very pleasant afternoon of entertainment, and loaded down with goodies and gifts, the children left the auditorium happy and in hope that those who helped make this a happy day for them, received as much happiness in presenting the entertainment. To sum it all up briefly, 'Twas a grand day for the children of Albany.

Automobile Owners Warned to Continue "Care of Tires"

Dave Lewis, manager of The Tiro Co. at 1870 Solano Ave., says that the supply of new tires will continue scarce for several months and warns motorists to still care for their present tires with the same methods that have been in observance in the past.

To those motorists who still have good casings on their automobiles, a wise procedure is to have them recapped immediately and avoid the chances of skidding during wet weather, thus causing injury to themselves or others plus the costly experience of the car being tied up for repairs. To many folks who may have to wait some time for their new tires, recapping with truck and bus rubber may solve an immediate tire problem and at the same time avoid possibility of accident.

In the meantime, Lewis says that the same allocation of the new B. F. Goodrich Silvertown tires will continue to arrive and the Tiro Co. and it's fine force of tire experts will continue to do their best to keep your car rolling on good non-skid treads.

Lewis would like to thank his many friends and customers for their fine attitude and co-operation during the tire rationing program and invites motorists to continue to come to The Tiro Co. with tire problems.

HERE'S WHY you'll want the
B. F. Goodrich Silvertown

OUTWEARS PREWAR TIRES!

It has been proved. More than 2,000 tests and
nearly 17,000,000 miles of the toughest kind of
road service showed that this new B.F. Goodrich
Silvertown will Outwear Prewar natural rubber
Tires.

New, better rubber. B.F. Goodrich has de-
veloped a rubber that's far better than ordinary
synthetics. It helps the new Silvertown wear better
and run cooler. It has greater resistance to cracking
-- and actually stands bruising and damage from
accidents better.

Tire body 35% stronger. An entirely new,
stronger cord is used, more of these cords are used
in the top ply, an extra shock-absorbing breaker strip

is included. The result: a body that is 35% stronger
for additional resistance to bruises, extra blowout
protection.

Flatter tread covers more ground. Called
the "road level" tread, it puts more rubber on the
road, permits all the tread to share the wear. Result:
a further increase in mileage, less scuffing, better
distribution of weight, better traction, more safety
on the turns.

Plus 3 years' EXTRA experience. Three years
before any other manufacturer, B.F. Goodrich sold
tires containing synthetic rubber to American car
owners. The extra know-how piled up in these years
is reflected in the new B.F. Goodrich Silvertown.

THIS PROTECTION

It is easy to understand why
the idea of paying for future
funeral costs, through a
Funeral Service Policy, is
sweeping the nation. It is a
protection that no ordinary
insurance can provide be-
cause it not only stipulates
how much or how little shall
be spent--it also provides
immediate cash to pay fu-
neral bills.

This means that savings and
insurance funds are kept in-
tact for their intended pur-
